

CONFIDENTIAL ATTORNEYS' EYES ONLY

1 Q Okay. But has there ever been a case where
2 you have to change the presentation in order to get
3 intact fetal tissue?

4 A No.

02:57

5 Q Okay.

6 And when you said, "We've been pretty
7 successful with that," you're talking about we as
8 including you; correct?

02:57

9 MR. KAMRAS: Vague. You're talking about

10 there while you were talking to Dr. Daleiden; correct?

11 A Absolutely.

12 Q And she could hear what you were saying;
13 correct?

14 MR. KAMRAS: Calls for speculation.

02:58

15 THE WITNESS: She could I assume.

16 BY MR. JONNA:

17 Q Okay.

02:58

18 Is it your testimony that there are certain
19 times in the conversation where the conversation
20 converted from confidential to non-confidential and
21 vice versa?

22 A Yes.

23 Q So what parts of this conversation were
