Nathan/Jill,

Looking forward to our meeting tomorrow in advance of the in person meeting with AG Harris. If possible, can the in-person meeting on Friday, 3/11 at 4 pm here in Sacramento? Sue and Celinda will be here in Sac that day in another meeting and this would work for them. Jon and Sheri won't be here that day, but they are eager for us to move forward and hope that Friday can work.

If possible, let us know in our advance staff meeting tomorrow at 10:00. See you tomorrow.

Subject: Action items from 3/23 Meeting

Ana and Sue,

I know we've had several conversations already since our March meeting, but I wanted to send a quick status update and put all of our action items in one place so that we could keep track as we move forward:

1. April 7 Sacramento meeting: I will be there at 10:30 along with Suzy Loftus, the AG's General Counsel and a seasoned prosecutor. We'll speak for about 20 minutes and then do 10 minutes of Q&A. My goal is to develop our talk into something that can be replicated for other groups and clinic staff, so we would love your feedback during and after the meeting this week.
- [REDACTED]

3. List of outstanding requests/needs: We had discussed collecting from Ana a list of ongoing security requests/needs (both as to individual doctors and as to clinics) from your affiliates so we could provide assistance as needed with local law enforcement.
 4. Legislation: We're consulting with your legislative affairs folks on this. Nothing for this group to do at this time.
 5. Protocols/training for PP staff: The April 7 meeting will be an informal first cut of this, but we're looking to develop a more substantial guide for clinics on what to document and how to develop relationships with law enforcement. We have requests out to our federal partners who may already have some materials that we can build from, but we will definitely want your input as this gets developed to make sure it's useful.
 6. Guide to law enforcement on clinic safety: This is also in the works. Once we have a draft, we'll definitely want your input!
- [REDACTED]

Please let me know if I missed anything. Looking forward to seeing you Thursday.

Thanks,
Jill

Ana,
No problem, I'll arrange to be there at 10:30 on the 7th. We'll pull together some materials to give to folks; about how many people should we expect?

Looking forward to it,
Jill

Subject: Re: Planning for 4/8 Meeting

Thank you Jill! Yes, we do want someone to come to our Public Affairs meeting but the date is actually Thursday, April 7, not the 8th. I hope that doesn't mess things up for you.

I am copying Paul Knepprath, VP of Policy and Gov't Affairs, who is the lead on this meeting. I believe we have 30 minutes slated for you in the morning beginning at 10:30. Paul can you confirm? We are at the Sheraton Grand on J Street in Sacramento. I think we're in the Bondi room on the second floor but you should the check the signs in the lobby.

As far as the topic -- This talk would be a continuation of our conversation when we met in Los Angeles. We are looking for ideas, tips and best practice recommendations for improving our relationships with local law enforcement and District Attorney offices. Many affiliates have relationships between security, but we also want to create these same ties for our Public Affair staff. Also, I think reminding folks about the importance of evidence collection as part of our security efforts would be helpful. I know that's a lot for 30 minutes (figure 20 minutes with 10 minutes for a Q&A), but any assistance you can provide would be most appreciated.

Although my OOO is on (I'm taking a couple of days), I am available by phone if you want to discuss things in more detail. My number is 916.712.6239. I've also copied Celinda as I think she may have some ideas from a PA staff prospective.

Thank you again (and thank Nathan) for agreeing to speak to our folks. We look forward to seeing you Thursday.

All the best,
Ana

Ana,

I spoke to Nathan yesterday and he indicated that you would like us to give a talk to your public affairs folks on 4/8 about how to develop/improve relationships with law enforcement. After Nathan and I spoke, we thought it would be best if I give that presentation along with one of our senior prosecutors in the office (I have a couple fantastic people in mind, and I should know by Monday who will be with me). I wanted to connect directly with you to confirm a few details:

1. Length of time – Nathan mentioned 30 minutes. Is that accurate?
2. Topics to cover – any details you can give me about what your team would like to hear from us would be helpful. We want to make sure we cover anything that would be useful for folks to hear from us.
3. Timing/location – My understanding is the meeting is in Sacramento, but I wanted to get exact timing and location from you so that we can arrange schedules as needed.

Let me know these details when you have a second. I'm also happy to talk to you over the phone this weekend or Monday if you'd like. My cell is 510-289-7824. When you email me, please use both my work email and my personal

[REDACTED] My work email has been having some glitches the last couple days and I want to make sure I don't miss anything from you!

Thanks so much and looking forward to seeing you next Friday,
Jill
