Hi, [REDACTED] – we are fine with cancelling tomorrow's mtg. have some questions about payment to the residency program and I have to communicate with [REDACTED] about the [REDACTED] fellowship sooner rather than later, but I'll do that independently. No current issues with the collection program. I hope it's all OK from your side.

Hi all,

It seems that time got away from a bunch of us, particularly those of us with a grant due this week. If it's ok with everyone, can we cancel tomorrow's meeting and reconvene May 3? By that time, we will have results to share on samples recently collected, and will also likely have more to discuss re: the [REDACTED] fellowship.

Sorry for the late notice -- as always, if there's anything urgent that needs to be discussed regarding the collections, please email or call [REDACTED] and me.

Hi, [REDACTED] et al.

Thanks for putting this together so far in advance. I think it's an excellent plan to get the dates on our calendars early and hope for the best.

The only date I am concerned about is the Aug 2 date since we are often up [REDACTED] it is fine with me to wait to see how that develops

since our dates for this year have not been picked yet.

Also - could we plan for the group to meet [REDACTED] as we have been doing?

Thanks, [REDACTED]
